Ads must be received by **January 29** to be included in the February issue. **We no longer accept "Service" or "For Rent" ads.**

Non-Traditional Scholarship Application Deadline February 4

A \$1,000 scholarship is being offered to a student five or more years beyond high school graduation who is working toward a degree, certificate or licensure in some area of expertise. The eligible candidate must have an educational plan and must have been enrolled for at least one quarter or semester in the chosen program.

The candidate must be receiving electrical power from Meeker Cooperative or be an employee of the Cooperative. Scholarship applications are available at the Cooperative or by calling 320-693-3231 or can be downloaded from Meeker's website at meeker.coop. Select the Operation Round Up® link in the lower left corner and then download the form (Operation Round Up Non-Traditional Scholarship

Application). The application deadline is close of business on February 4, 2016.

Members of the Cooperative may choose to have their bills rounded up to the nearest dollar and employees of the Cooperative are given the opportunity to have their paychecks rounded down to contribute to this fund. This extra change is accumulated in the Operation Round Up® Trust Fund and is awarded as grants to non-profit and charitable organizations. High school scholarships are also awarded to the area school districts.

All members of Meeker Cooperative are eligible to participate in Operation Round Up. Please call Meeker Co-op if you would be willing to contribute your extra change each month.

Find your location number

Four location numbers have been hidden within this *Pioneer*. If you find your number and claim it by calling Meeker Cooperative by January 29 you will have \$10 credited to your account! Daryl Johnson of Raymond and Gerald Thissen of Hutchinson found their location numbers in December and will have \$80 credited to their accounts in honor of our last month of celebrating our 80th Anniversary. Good Luck!
